RE: Request for State Applicable and Relevant and Appropriate Requirements (ARARs) for the B&R Custom Chrome Site (C5G7) in Toledo, Lucas County, Ohio

Ms. Weaver:

This letter requests that the Ohio Environmental Protection Agency identify all Applicable, Relevant, and Appropriate Requirements (ARARs) for the potential upcoming removal actions at the B&R Custom Chrome Site, in Toledo, Lucas County, Ohio. Any State ARARs identified in a timely manner for this removal action will be complied with to the extent practicable.

The United States Environmental Protection Agency (U.S. EPA) is in the process of preparing a funding package addressing the removal actions at the Sites. These removal actions will include the removal of liquids, sludge and debris containing hazardous materials. I will continue to update you on the status of both the U.S. EPA funding process, as well as the on-going enforcement investigation progress.

If you have any questions regarding this letter, please feel free to contact me at (734) 692-7686. Thank you for your assistance in this matter.

Sincerely,

Jon J. Gulch
On-Scene Coordinator
